

FRIENDS OF IAESTE NETWORK

The International IAESTE Alumni

Dear Trainee,

Congratulations on being accepted for an IAESTE traineeship. You are now joining the family of more than 10.000 members who have had the chance to be an IAESTE trainee. We wish you all the success for what will be a cultural and academic adventure. We would also like to invite you to join our Friends of IAESTE Network.

What is the Friends of IAESTE Network (FoIN)?

Friends of IAESTE Network is the Alumni Association of IAESTE. IAESTE A.s.b.l. currently has members in more than 85 countries and through FoIN it is possible for you to make connections all over the world. Members of the network are past, present, and the future IAESTE trainees, staff, volunteer members and other that support IAESTE.

What are the benefits of The Friends of IAESTE?

It allows you to contact previous trainees that have been on placements, perhaps in the same country or even company. You can also get in touch with other students who will be on traineeship at the same time and in the same country as you.

In the future, this will become a valuable tool to allow you to keep in touch with all the friends you will meet and let you know who to contact if you find yourself in a position to offer a traineeship to an IAESTE trainee. Besides, our website contains various features, articles, our semi-annual newsletters and events of interest.

How do I become a member?

Simply go to www.iaeste.org/friends and sign up.

This involves entering your personal/professional information and details of your upcoming traineeship. Authorization requires approval from a FoIN administrator, which may take a few days. Then you will be assigned a password and permitted to enter the network and enjoy its benefits. All personal information such as email, address and phone number are kept strictly within the IAESTE Network and are only used internally within IAESTE. If members of the network seek to get in contact with you, they can do so without getting access to your information. Furthermore if you wish to cancel your membership, you can delete your own information at anytime.

The Friends of IAESTE Network wishes you a warm welcome!

Kind IAESTE regards,

The FoIN group
