

CIMOn Aasia-ohjelmasta 2015 tuetut Kiina-hankkeet

CIMO Asia programme funded China projects 2015

Project title: FUTURE Health & Technology	
Coordinator University of Turku Department of Nursing Science Riitta Suhonen riisuh@utu.fi	This project aims to build an international, multidisciplinary (nursing science and information technology) two year educational program in collaboration of two universities, University of Turku Finland and Fudan University, Shanghai China. The collaborating departments are Departments of Nursing Science and Information Technology. This collaboration consist of a) planning of the detailed 2-year curriculum in the field of health and technology on the master level (joint/ double degree), b) pilot the core course in collaboration and c) to implement of the new joint/double two-year Master degree program. Planning of this detailed curriculum includes also negotiating closer co-operation of the doctoral level education and networking.
Partners Fudan University School of Information Science and Technology
