

## CIMOn Aasia-ohjelmasta 2015 tuetut Intia-hankkeet

### CIMO Asia programme funded India projects 2015

<b>Project title: FIN-IIT Double Degrees</b>	
<b>Coordinator</b> <b>Aalto University School of Science</b> Department of Applied Physics <b>Robin Ras</b> robin.ras@aalto.fi	<p>The aim of FIN-IIT double degree project is to benchmark and align the procedures for obtaining doctoral double degrees between an Indian Insitute of Technology Madras and and a Finnish University, Aalto University and University of Jyväskylä. In addition, the project aims to further develop and implement joint study modules (summer school and joint course) in Finland and in India. The goal is also to increase the doctoral and staff mobilities between the partners.</p> <p>The project activities are the following: 1) kick-off and follow-up meetings 2) one week joint course at IIT Madras 3) doctoral student mobility from IIT Madras to Jyväskylä summer school "Introduction to the Science of Atomic Nanoclusters" and to the conference "International Symposium on Small Particles and Inorganic Clusters"4) doctoral student mobility from IIT Madras to Aalto and vice versa</p>
<b>Partners</b> University of Jyväskylä Indian Institute of Technology Madras
